

# St Peter & St Paul's Parish Church, Wem

## Mission Action Plan 2019

### DISCIPLESHIP

#### Now:

##### Celebrate with us that:

- We have established an ongoing Nurture Course and pattern of Quiet / Prayer Days.
- Our visit from a Diocesan Mission and Stewardship Advisor has borne great fruit.
- A loyal team has redecorated the interior of our Church.
- Our Family Eucharists are now more accessible and “user-friendly”.
- Our close links with St Peter's School are continually deepening and evolving.

#### The Coming Year:

- In May we will hold a Mission and Resources presentation to encourage stewardship.
- We are striving to acquire suitable AV and IT equipment to enhance our worship.
- We will be removing pews from our Nave so that wheelchair users feel fully included. This space will be a great help for parents with pushchairs.

#### In the years ahead:

- We hope to establish fresh expressions of worship for families, children and young adults.
